

	Hybrid Teas & Grandifloras
	Hybrid Teas: Large flowers normally set one per stem, medium to tall habit, and long cutting stems. Grandifloras: Large flowers in clusters, usually taller in habit with individual stems of clusters suitable for cutting.
	Chrysler Imperial (HT) Velvety dark red blooms, with strong damask fragrance and compact habit.
	Cinnamon Dolce (HT) Cinnamon Dolce has a unique novel color, great exhibition form and very strong fragrance. The disease resistance is very good for the west coast.
	Double Delight (HT) Cream blushing red with strong, spicy rose fragrance on a slightly spreading deep green form.
	Dream Come True (GF) Big vigorous bushy plant with long-stemmed yellow blooms edged in ruby red. Blushes to all-ruby on finish. Pat #20633
	Elle (HT) The strong fragrance of Elle® combined with the high-centered blossoms, make this a great rose for cutting. The soft multi-colored flowers contrast nicely with the dark shiny foliage. This plant offers above average tolerance to mildew and black spot. The compact growth fits well in small gardens or large containers.
	Heirloom (HT) A strong fragrance combined with deep, lilac-lavender edged with magenta flowers make any encounter with this rose unforgettable. Does not like the cold and performs best in milder climates.
	Honor (HT) Very large well formed, crisp bright white blooms with a slight tea fragrance on a tall upright plant.
	Miss All-American (HT) Deep, hot pink with very large full blooms and strong rose fragrance.
	Mister Lincoln (HT) Classic deep velvety red bloom, with a strong damask fragrance. Tall upright form.
	Moonlight Romantica (HT) Moonlight Romantica® displays large light yellow full double flowers that are fragrant. It also has an excellent disease tolerance for the type and is very vigorous on its own roots.
	Peace (HT) Very large lemon yellow edged pure pink blossoms with mild fruity fragrance. Medium height.
	Pinkerbelle (HT) Pinkerbelle™ is a very unique breakthrough hybrid tea, combining a spicy verbena fragrance and superior disease resistance. This rose grows well on its own roots and has proven to perform very well in black spot climates.
	Princesse Charlene de Monaco (HT) Princesse Charlene de Monaco® is a very beautiful Romantica® type Hybrid Tea rose. Its very fragrant flowers are fully double and light apricot to shell pink in color. It has excellent disease resistance for the type and will make a good choice for use as a cut flower.
	Queen Elizabeth (GF) Clear pink Grandiflora with moderate tea fragrance, dark glossy foliage, and tall upright form.
	Ring of Fire (HT) As the name implies, fully double blooms of glowing yellow edged with flaming scarlet red. A top notch cut flower.
	Wild Blue Yonder (GF) One of the few lavender toned roses to win an AARS award. Amazing purple/red blooms with a lavender eye. Pat #18554
